

# The Token

## Part 2

There was a question asked which needs to be answered for anyone wanting to know when the token was made available. Remember, you must understand that we were in the time of a dispensational change, and those who came from the Pentecostal church age to the Bride age had a unique time where they crossed between ages. This crossing happened to us all who came from the Pentecostal movement including Brother Branham. There were many things that Brother Branham did not have correct just as we all did coming out of the ages, however, the clear understanding did not come until the token was available to the bride, which was at evening time.

The second part of that question referred to Brother Branham and his receiving a clear understanding. Here is the question again so that we can be clear on what is being asked:

[QUOTE FROM LETTER]

*When did Brother Branham receive the clear understanding of all things, or the token, every word entitled us to the token?*

[END QUOTE FROM LETTER]

A sign of the new birth is “recognizing your day and its message”. It has been the sign for every age and continues in this day to be the same. Until you leave the old denominational thinking and ideas, you are not moving into the new message. Both a new message and a clear understanding must both be here for us to be able to get with the word for our day.

Brother Branham referred to the “wood shed” for the place where he drove his stake and accepted Christ into his life. However, he also stated that the token was the only thing acceptable to God and that it was not even given until evening time.

[BEGIN QUOTE]

35-3 113 Notice, they were not just yet come together to talk about the message. They come together to apply the blood, to apply the token. That's what you must do.

Pastor Neville, and to this congregation, trustees, deacons, to you brethren, it's time that we laid aside all the foolishness of the world, time we laid aside everything else. We've seen enough now, that we're positive, sure, and the Token must be applied. Without it, you're going to perish; you must perish. That is the only thing. Oh, don't come together, say, "I believe it." Get beneath it. Get into it. How to do it? By one Spirit we're baptized into the Body of Jesus Christ. Everybody believe with all your heart. See? He was not responsible for any out from beneath it.

[END QUOTE]

The importance of the token was life and death to us in this day. Brother Branham called to his entire church to look to the token instead of the old way of thinking.

The token was not even available to us when Brother Branham went into the coal shed because he told us:

9-3 037 The lamb was killed in the evening time after being kept up for fourteen days. And then the lamb was killed, and the blood was applied in the evening time. You get it?

The token never come into existence until the evening time. And this is the evening time of the age that we live in. This is the evening time for the--for the church. This is the evening time for me. This is the evening time of my message. I'm dying; I'm going; I'm moving out in the evening time of the Gospel.

[END QUOTE]

So even though the stake was driven in the shed, the manifestation of the even time message did not come into existence until this day. The proof that the shed experience was real is that Brother Branham continued to walk into the light as he saw it.

Just like my Apostolic experience was real to me, it started my walk towards God, but I could not really manifest my message until I came to the message of the hour that I was ordained to. My denomination tried to tell me that the evidence of the Holy Ghost was speaking in tongues, but upon hearing this message, I found that the evidence is believing the Word of the Hour. Totally different and I had to drop my old idea of the new birth to receive the birth for this day, which is a clear understanding of the word of God, which came at evening time.

It took a prophet with the word of the hour to make the word of God clear for me to understand. Until then, I had been born as Paul stated "on the corruptible seed", not the "incorruptible Seed which is the word of God." And Brother Branham stated above that the token never came into existence until the evening time.

The ability to receive a "clear understanding" did not happen until evening time for the entire Bride, including Brother Branham. He had many things wrong and was not ashamed to let us know that he had to change his thinking:

74 029 I'm not disgrading my Presbyterian brethren there, and some of you Baptist brethren on the way you have security. I'm not saying this to be different, but you didn't have it just right. See? That's right. See? But I had it wrong too. But when an Angel stands from heaven and tells you, and here it is right in the Scripture, that--that's true. See? That's right. See, He always speaks exact with the Scripture.

[END QUOTE]

In the opening of the seals, Brother Branham had things that the Angel of the Lord had to correct

as recent as the morning of the service. He did not hesitate to let us know that if God had not intervened, there would have been man's ideas given to us:

FIRST.SEAL.THE.title JEFF.IN 63-0318

122-2 {35} 018 And now, the Lamb is standing now tonight as we enter into this 6th chapter; He's got the Book in His hand and starting to reveal it. And, oh, I would've absolutely today... And I hope that people are spiritual. I would've had a horrible mistake on that if it hadn't been about twelve o'clock today when the Holy Spirit came in the room and corrected me on something that I was writing down to say.

I was taking it from an old context. I had nothing on it. I don't know what the Second Seal is no more than nothing, but I'd got some old contexts of something that I'd spoke on several years ago and wrote it down, and I'd gathered this context--context... And Dr. Smith, many great outstanding teachers that I--I'd gathered, and all of them believed that, so I'd wrote it down. And I was fixing to say, "Well, now I'll study it from that standpoint." And there about twelve o'clock in the day the Holy Spirit just swept right down into the room, and the whole thing just opened up to me, and there it was...?... of this--of this First Seal being opened.

[END QUOTE]

Brother Branham was going to teach from some of his old messages. Then the angel of the Lord came in and corrected him. God always corrects the error, and even though it was Brother Branham, he too, must bow to the correction the every son must receive.

[BEGIN QUOTE]

HEBREWS 12:6-8 **He chasteneth every son**

6 For whom the Lord loveth he chasteneth, and scourgeth every son whom he receiveth.

7 If ye endure chastening, God dealeth with you as with sons; for what son is he whom the father chasteneth not?

8 But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons.

[END QUOTE]

So if the token was not available until evening time, and Brother Branham told us that obedience to the word entitles you to the token, then Brother Branham was like all of us who had to die to our thinking to receive the pure word which is the token for this day. The only true point for even wanting to know when the token became available, is for us to see that none of us were ready for the rapture and it was going to take the token to prepare the Bride for the task that laid ahead. ....The resurrection of the Bride body of the 7 ages.
